

Working in the Mine

Where is the photograph taken?
Who is the man?

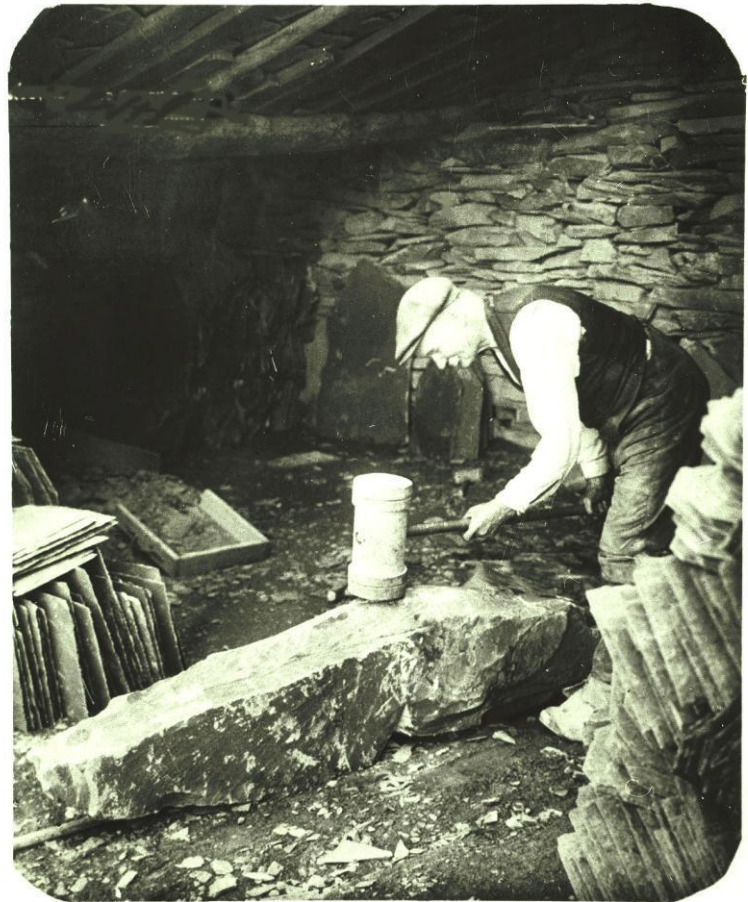

What is happening in the picture?
What is the man doing?

What tools is he using?
What is each tool used for?

Was this an easy job?

How long has he been doing this job?

Why is he surrounded by different sized slates?

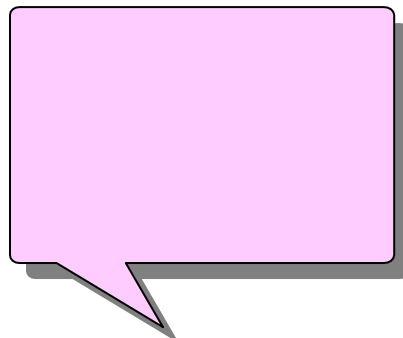

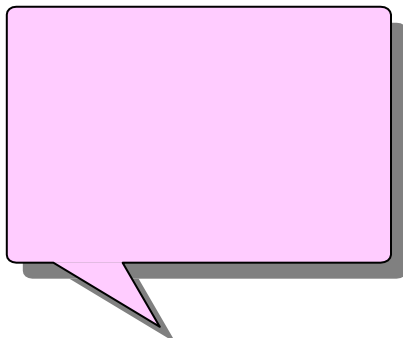

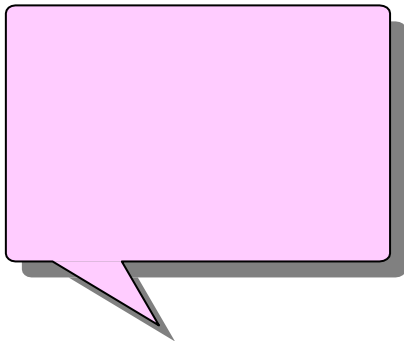

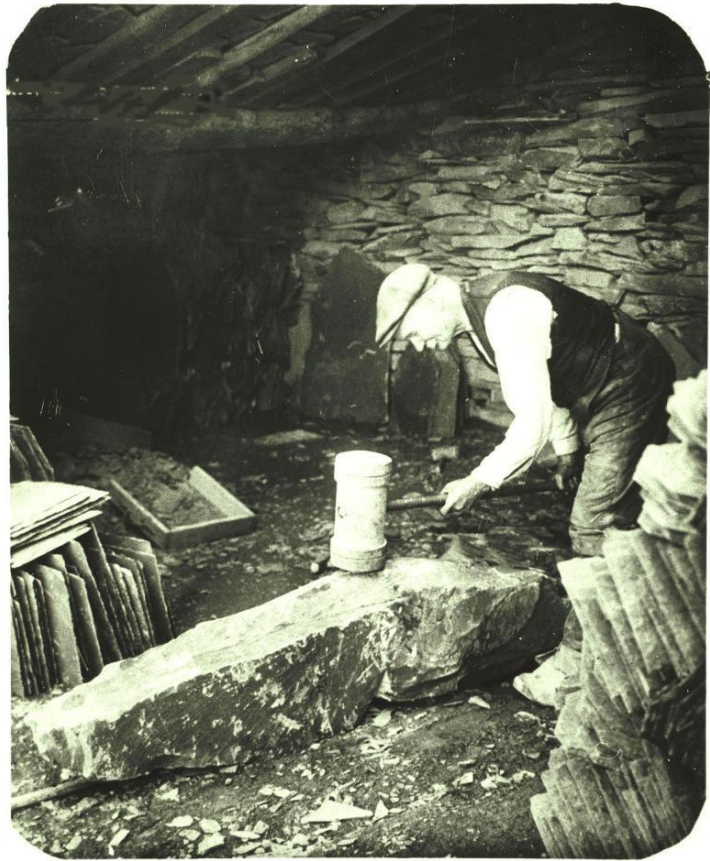

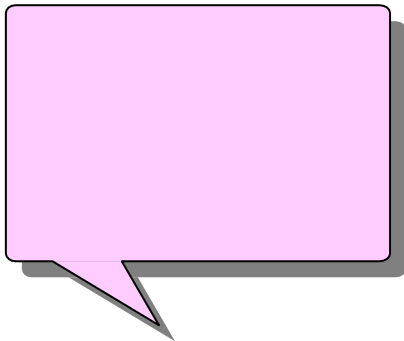

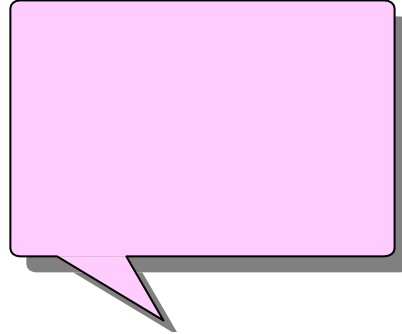

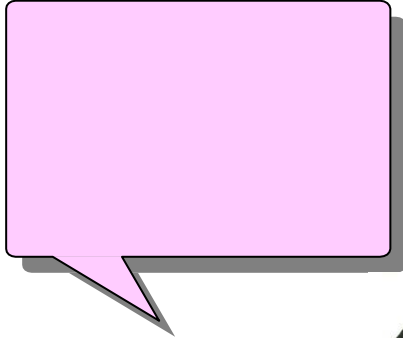

Did he need any special skills?
Who taught him?

What will happen to the slate next?

Task: Look at the questions on the last bubble sheet. Now in the speech bubbles below write your answers in bullet point form. Remember to use the Key Vocabulary sheets to help you with the key terms.

Working in the Mine

Task: Often at Honister we have film crews in to film the activities we do. Imagine you are part of a film crew. Write a piece of creative writing to inform (tell) the viewer what is going on and why. You could make it an interview between yourself as the interviewer and the miner below.
