**Task: Imagine you are going to cast a movie located at Honister in the past. It could be a movie to inform people of what life and work was like there, or it could be an action/disaster movie. Write in the boxes what ideas or scenes you want to include in this movie. You can use the title below, or come up with your own.**

## **Moving the Slate**

Five orange speech bubble boxes are arranged around the central photograph, intended for writing movie ideas or scenes. The boxes are located at the top left, top right, middle right, bottom right, and bottom left of the image.
